

Chief Executive

Competitive Salary and Excellent Benefits

Midlands Based

The Institute of Sport and Recreation Management was formed in 1921 and is a successful company as well as a registered charity. It is the leading national professional body for those providing, managing, operating and developing sport and recreation services in the UK.

The Role

- To give strategic direction to the formulation and achievement of the organisation's objectives and annual targets.
- To raise the profile of the ISRM and improve sector positioning to ensure greater involvement in discussing, influencing and shaping public sport and recreation policies.
- Drive commercial growth through membership subscriptions, training and development programmes and ancillary products.
- Reporting to the Chairman, to be responsible for the management and administration of the organisation in the execution of the Board of Trustees policies.
- To provide leadership to the management team and to attract and maintain top quality personnel.

The Person

- Significant knowledge of the provision of sport and recreation throughout the UK supported by a strong and relevant network.
- High level of strategic planning experience with a demonstrable record of improving sector positioning and the ability to lead the ISRM in to the broader agendas of sport and recreation.
- Excellent financial acumen and proven record of success in improving commercial performance of a multi – functional organisation.
- Experience of building effective relationships across the sports and leisure sector to include national governing bodies, Local Authorities and voluntary organisations.
- A record of creating a high performance organisation with a strong and rewarding leadership culture.
