THE HIDEAWAYS CLUB

The Hideaways Club is a new, exclusive, private club concept, enabling members to enjoy many of the unique benefits of owning luxury property abroad, without the associated problems. With membership strictly controlled, the opportunity to benefit from an investment return on a property portfolio as well as to enjoy a truly bespoke vacation experience featuring luxurious accommodation and personal concierge services makes this an inviting proposition.

Reporting to the Chief Executive, this Executive Board role will focus on introducing the concept of a truly inspirational product to a highly esteemed and elite audience. Product positioning and securing membership at this level demands the perfect blend of intellect, personal gravitas,

exceptional communication and social skills, the ability to consistently generate quality leads and access to high net worth individuals and above all, refined closing skills.

Applications are sought from individuals with a proven track record of achieving sales targets within a similar environment. Supported by a sales team the successful candidate will be able to demonstrate dynamic leadership and motivational skills, a strong drive for results, a creative flair to implement sales strategies and knowledge of key sales support tools.

All applications should be directed by email or in writing with full CV and salary details to Kit Taylor at the address below.
